

Proposed Waiting Prohibitions – Baberton Avenue Woodhall Terrace and Belmont Road

Report authorised by Director of City Development under Delegated Powers

10 September 2010

Purpose of report

- 1 To introduce waiting restrictions at the junction of Baberton Avenue, Woodhall Terrace and Belmont Road and to revoke waiting restrictions on Baberton Avenue and Woodhall Terrace required for the new Juniper Green Primary School.

Main report

- 2 The consolidation of Juniper Green Primary School on to one site on Baberton Mains Wynd has resulted in the closure of the infant annexe building at the junction of Baberton Avenue and Woodhall Terrace.
- 3 As the annexe building is no longer used as a school building, the single yellow line waiting restrictions associated with the School Keep Clear Markings on Woodhall Terrace and Baberton Avenue are no longer required and should be removed.
- 4 It is proposed to replace them with short lengths of double yellow lines around the junction to
 - a) Improve visibility for drivers and pedestrians
 - b) Make the crossing of the junction safer for pedestrians and aid the School Crossing Patrol
 - c) Improve vehicular movement at the junction
- 5 These proposals are shown on the plan attached as Appendix 1.

6 In summary, waiting restrictions are required at:

The junction of Baberton Avenue, Woodhall Terrace and Belmont Road

Waiting restrictions to be removed at:

Baberton Avenue – Northern end

Woodhall Terrace – Western end

Financial Implications
