

62681 The Royal High School

Further to FOI request, 61898, regarding Royal High School events involving Jacobs and Leonardo:

When were the most recent events with these companies (on school grounds)?

For Jacobs, there were no events on school grounds. For the last 8 years, in various months (one visit per year), pupils from the school have visited Jacob's office at Fountain Park for an Engineering Workshop with the company.

For Leonardo, this company visited the school for a Speed Networking event in March and in June 2026.
