

62682 Racist Assaults Against Social Workers

Do you record racist assaults against social workers?

Yes, but only from July 2024 when an option to record 'Perceived Motivation' was added to the incident recording system. Please be mindful that the 'Perceived Motivation' field is not a mandatory field.

If so, please answer the following:

Please note. As it is not a mandatory field, this is only records where the worker has chosen to select the field.
