

62724 Licensing Functions

I request the following information relating to City of Edinburgh licensing functions.

For each of the following licence categories:

Late Hours Catering

Street Trading

Public Entertainment

Market Operator

Please provide:

1. Whether the Council maintains an electronic register or database of applications, licences, renewals, variations, refusals, withdrawals, suspensions, and revocations.
2. The date range covered by any such register.
3. The fields held within the register.
4. Copies of the register data in electronic form (CSV, XLSX, JSON, database export, or similar) for the widest period that can reasonably be supplied.
5. If the full register cannot be supplied, please provide aggregated counts by year and licence type.
6. Details of any public register, online system, download page, archive, or publication location where these records are routinely made available.

Where information is held electronically, I would prefer to receive it in its native structured format rather than PDF.

The registers for these activities are published on our website at:

<https://www.edinburgh.gov.uk/downloads/download/13239/licensing-registers-civic>

The registers go back to January 2021.

The registers contain:

- Date Received
- Reference Number
- Licence Status
- Licence
- Type
- Premises
- Applicant
- Manager

- Decision
- Decision Date
- Valid From
- Expiry Date

These registers are published as Excel files.
