

62727 Flag Removal

My request is in relation to the removal of flags from public spaces (lamp posts, etc.) in terms of numbers and costs.

Could you tell me how many of these items have been removed in the following years and/or how much has been spent to remove them?

If it is possible to detail the type of flag removed (e.g. Union Flag, Saltire etc) that would be appreciated.

Could the following years be included: 2022/23, 2023/24, 2024/25, 2025/26.

Provided below are the number of flags that have been removed from the City of Edinburgh Council's street lighting columns. The costs associated with the removal of these flags was not recorded separately. We do not record the type of flag that was removed.

2022/23 – 0 flags

2023/24 – 0 flags

2024/25 – 0 flags

2025/26 – 168 flags
