

62767 Noise Assessments, Planning Approval and Construction Compliance – The Limes Estate

Copies of all noise assessments, noise impact assessments, acoustic reports, environmental noise studies, and supporting documents submitted as part of the planning application process for The Limes Estate.

Copies of any comments, consultations, assessments, recommendations, or correspondence from Environmental Health, Planning, Transport, or other Council departments relating to noise impacts associated with the development.

Details of any planning conditions, obligations, mitigation measures, or requirements relating to noise that were imposed as part of the planning approval.

[All documents supplied with this planning application are publicly available on the Council's planning portal under reference numbers 09/03108/PAN, 10/01185/PPP, 12/04385/AMC, 12/04385/VARY, 12/04385/VAR2, 12/04385/VAR3, 13/00273/AMC, 13/00673/FUL, 13/03048/AMC, 14/01472/FUL, 14/04880/FUL, 14/04880/VARY, 14/04880/VAR2, 14/04880/VAR3 and 14/04880/VAR4.](#)

Copies of any documents confirming that noise mitigation measures required by planning conditions were installed, completed, inspected, approved, signed off, validated, or otherwise accepted by the Council.

Copies of any post construction or post occupation noise surveys, noise validation reports, acoustic testing results, inspections, reviews, or assessments held by the Council relating to The Limes Estate.

Copies of any correspondence between the Council, the developer, consultants, contractors, or Environmental Health relating to compliance with noise related planning conditions or mitigation measures.

Please confirm whether the Council is satisfied that the development was constructed in accordance with the approved noise assessment(s) and any associated noise mitigation requirements. If so, please provide any records, reports, inspections, sign off documents, or evidence supporting that conclusion.
