Subject: Cracking at 113 Bellevue Road.

[REDACTED],

I inspected 113 Bellevue Road following a complaint about cracking. There was a number of flats who have cracking in their flats, see list as follows :-

Flat [REDACTED] has cracking in hall, kitchen and lounge.

Flat [REDACTED] has cracking in hall, kitchen, lounge and bedroom, also door to lounge is not closing.

There is also cracking in a cupboard on the first floor level.

Also there are signs of cracking externally.

I will require a structural report to check that the building is safe.

Please contact [REDACTED] on [REDACTED] if you need any information.
