2 would be absolutely fine. just as a note for tomorrow, is there anything in particular you want to bring up or focus on. I've taken a look at the application and there seems to be a lot of issues with it...

Thanks Andrew. I have had several public comments stating that the council has a duty to keep a public right of way open under Section 46(1) of the Countryside (Scotland) Act 1967, so it just to discuss this further as I know it will be questioned at committee if called.

I know you mentioned earlier that the crown estate is exempt from access rights. However, this is owned by Scottish Ministers now and managed by HES.

Hi Andrew, I'm in Waverley court if you'd prefer to meet in person?

I have some plans already printed
