

62889 Pupil Population at Boroughmuir High School and James Gillespies High School

I would like a detailed breakdown of the pupil population at Boroughmuir High School and James Gillespies High Schools based on the current postcode address registered for the pupil.

This should be broken down by year group and show the number of pupils who have a postcode within the designated catchment for the school and those who have a registered address which is outwith the catchment.

Please refer to the attached Q1 Response table. Please note that where the number of pupils is five or less, these are shown in the tables as '1-5' to reduce the likelihood of individuals being identified. This is in compliance with the Data Protection Act 2018.

For James Gillespies, please separate out the GME school from the mainstream school

Please refer to the attached Q2 response table.

Note: the GME numbers below are included in the totals provided in A1 above.
