

62901 Venison Served in Meals for Pupils

Is venison served in meals for pupils in any schools (primary and secondary) in your local authority?

Venison is on one day over a 6-week menu cycle in both primary and secondary schools starting in the new term in August 2026.

If the answer above is yes, how many primary and secondary schools is venison served in?

Venison will be served in 96 kitchens across Edinburgh.

How much venison, in kilograms, was included in school meals across the last year?

None.

What percentage of venison served in schools in your local authority was sourced in Scotland?

All the venison procured from August 2026 onwards will be Scottish.
