

## 62904 Street Cleansing and Service Delivery

Request for information relating to the Council's street cleansing fleet and operations:

A list of all road sweepers owned or leased by the Council with a GVW of under 4 tonnes, including make and model.

For leased sweepers, the lease start and end dates (month and year only).

For owned sweepers:

Year purchased

Planned replacement date or details of any fleet renewal programme

Confirm whether street cleansing services are carried out in-house or by a contractor. If contracted out, provide the name of the contractor.

Please refer to the table below which provides details of road sweepers owned by The City of Edinburgh Council. We do not have any leased sweepers and street cleansing services are carried out in-house.
