

62947

Information including sight of any written or electronic communication detailing risk assessments for the tram tracks on Leith Walk, Edinburgh, both prior to installation and subsequently.

The Road Safety Audit is available to view on the project website:
edinburgh.gov.uk/tramstonewhaven/downloads/file/732/trams-to-newhaven-road-safety-audit-stage-3-report

Information including sight of any written or electronic communication detailing accidents occurring on the tram tracks on Leith Walk, Edinburgh, from installation to date.

We have only two claims reported for this location linked to the Tram Lines (June and October 2023).

Both relate to cyclists interacting with tram lines, one remains ongoing, and the other has been settled.

Information including sight of any written or electronic communication detailing complaints made relating to the tram tracks on Leith Walk, Edinburgh, from installation to date.

Information including sight of any written or electronic communication detailing maintenance or additional works carried out on the tram tracks on Leith Walk, Edinburgh, from installation to date.

Unfortunately, we are unable to provide you with the information requested as it is not held by the Council. The information would be held by Edinburgh Trams:
