Morning Craig

There are two cases relating to the use of the car parking area.

My case related to the erection of an outbuilding within the rear garden of 65 South Gyle Gardens and the use of that for business purposes [REDACTED] who has a landscape business and utilises the car parking area and road (24/00600/EOPDEV). [REDACTED]

[REDACTED]

[REDACTED]

Given the above, I would not be looking to open an investigation.

Regards

Brian
