

63080 Padel Courts & Indoor Air Hall - The Grange Club, Stockbridge

The application to allow padel courts and an indoor 'air hall' structure to be built at The Grange Club in Stockbridge was initially rejected by Edinburgh Council planning officers then overruled by a central Scottish Government official - I want to see the document that overruled the Council's rejection, and be shown the name of the government official who overruling it.

The information you have requested is available on the Council's [Planning Portal](#) under reference number 21/06513/FUL. The DPEA Appeal Decision is listed in the documents as '11 July 2023 Decision'.
