

63233 Property at Redzman Place

I believe that a neighbouring property of mine is being used as a Respite Centre - Redzman Place, EH15.

Can I enquire as to the status of this property?

Is it a residential property or registered for business use?

For Council Tax purposes this property is registered as a residential dwelling on the Valuation List; it is not registered on the Valuation Roll as a Non-Domestic Rates (Business Rate) entry.

There is no Planning history for 1 Redzman Place apart from Planning Application 19/02600/FUL which was for the development being built. This is available on the planning portal at:
