How much money has been spent in the last two years on fencing to block up informal access routes through the walls of Warriston Cemetery?

£150 plus 2 hours staff time

What is the benefit (including cost-benefit analysis undertaken) to the public of blocking off these access points?

This ensures the council meets its statutory obligations under the H&S act and Burial and Cremation Scotland Act 2016 and burial regulations 2025

What consultation was undertaken about these changes to access and what were the findings?

None
