

## 63352 Youth Workers

Please provide the headcount number of Youth Development Workers, the number of officers in Education and Children's Services who work with 'youths', e.g. Teachers, Pupil Support Assistants, Children's Social Workers, etc. employed by The City of Edinburgh Council for each year between 2016 and 2026.

We do not consider Teachers, Pupil Support Assistants, Children's Social Workers, etc. to be 'Youth Workers' as such. The only post we consider to be a 'Youth Worker' is 'Youth Development Worker'.

The figures provided in the table below include both Distinct Headcount and Full-Time Equivalent (FTE) figures over the ten-year period requested.
