

EDIR 63467

Date	Surveyor	Note
7.5.25		No response to email sent on 4 April. Had telephone call with of Criterion Capital emphasising the need for action in relation to the 4 shop units. Subsequent call recvd from who is assisting the shop operator to submit a CCWNBWO and advised a submission will be made on Friday 9 May.
29.5.25		Teams call with who is from the architects leading on the main development. confirmed they were asked to get this matter addressed and was pulling information together to submit a CC early next week (w/c 2 June).
18.7.25		Telephone call with confirming CC being submitted today. There was a break down of communications with KitFox which is why all the documentation was not provided as previously stated. also confirmed they are supporting Kitfox to get this matter resolved.
13.8.25		Returned from leave and no CCWNBWO yet submitted. Left voice mail message with requesting update ASAP
