

63488 Youth Care Home Report

Please provide the following:

For each of the financial years 2024–25 and 2025–26, and for the council's residential children's houses in aggregate (not broken down by individual child or by individual record), the total number of notifications made to the Care Inspectorate, broken down by your existing notification types — including but not limited to: protection concerns; restrictive practice; controlled drug errors; missed medication; missed care and support; and accidents, incidents and injuries.

I am asking only for figures derived from your existing notification records and Significant Occurrence Notifications. I am not asking you to examine individual children's case files.

2024-2025:

Incidents - 473

Protection Concerns - 27

Controlled Drug Incident – 1-5

Allegation of Misconduct – 1-5

Restrictive Practice – 1-5

2025-2026:

Incidents - 757

Allegations of misconduct – 1-5

Injury to service user – 1-5

Restrictive practice - 6

Protection concerns - 43

Death of Service user – 1-5

Accident – 1-5

Where there are five or fewer notifications in a category, these are shown as '1-5' in compliance with the Data Protection Act 2018.

Please provide:

For the same financial years, 2024–25 and 2025–26, and for the council's residential children's houses in aggregate,

- (a) the total number of referrals or reports made from those houses to Police Scotland;
- (b) the total number of referrals, reports or protection-concern notifications made from those houses to the Care Inspectorate.

If either figure is held in aggregate or can be produced from a system count or existing report without examining individual case records, please provide it. If it is not recorded in that form,

please confirm this and tell me what system, log or report (if any) records referrals from residential children's houses to external agencies.

Police reports from houses:

2024-25 – 92

2025-26 – 200

Care Inspectorate Notifications:
