

63515 Multi-Occupancy Property History

Please provide the following anonymised, recorded operational information held by the City of Edinburgh Council regarding the property located at: 8 Wester Drylaw Row, EH4 2SF:

Confirmation of any specific local authority status, registration, or categorisation held by this property as a registered foster placement home or multi-occupant care facility between the years 2010 and 2026.

The exact start date and end date of any such registration or council monitoring period for this specific address.

We consider the information requested to be third party personal information and shall not be provided. We cannot provide such details, as anyone who is an occupant of this property would have no expectation that this information would be placed into the public domain and could potentially identify them.
