

63639

Building Warrant 25/02292/CCNBWO

Notification to Building Standards of the closure of the applicant (Kitfox Ltd).

Information not held. No notification of the closure of the applicant (Kitfox Ltd) has been provided to the Council.

Any information which may explain why the application is marked as 'under consideration' despite the applicant having ceased trading.

The building standards register has the status of 25/02292/CCNBWO as 'pending consideration'. This remains the case until such time as the submission is either refused or accepted by City of Edinburgh Council or withdrawn by the applicant or agent. The trading status of the applicant has no bearing on the status of the Completion Certificate submission.

Application documents for 25/02292/CCNBWO including contractors and sub contractors, details of works carried out and fire safety certification.

See attached.
