School Deferrals

Children born in December 2021 are eligible to begin school in August 2026. How many pupils chose to defer until August 2027?

172

I would also like to know a breakdown of the deferrals. How many females/males chose to defer?

Female 63; Male 109

Furthermore, if you can give me a total number of children (aged 4) choosing to defer this session.
