

63684 Register of Off-Sales Alcohol Premises Licences

I would like to request a copy of the current register of premises licences issued under the Licensing (Scotland) Act 2005 for off-sales alcohol licences within the City of Edinburgh Licensing Board area.

Specifically, for each currently active off-sales premises licence, I would be grateful if you could provide:

- Premises name / trading name
- Premises address
- Licence holder name
- Licence type / category (e.g. off-sales, off-sales with occasional on-sales, etc.)
- Date the licence was granted, if readily available

[Please refer to the attached document.](#)

[Please note that we have no operational need to keep up-to-date trading names but have supplied the information as recorded in Column B – 'Premises Name'.](#)

[The date each licence was granted is not readily available.](#)
