Has the Council assessed the cost of processing renewal applications?

See report highlighted above

Have renewal fees been reviewed?

See report above

If not, why does the Council consider current renewal fees reflect the reasonable cost of processing renewals?

n/a

Does the Council consider its current fee structure complies with the principle of cost recovery?

This is a question and not a request for information. The Council's sets it fees in accordance with the powers available under the 1982 Act
