Local Connection:

The total number of social housing units allocated across all developments in Ratho Station to individuals or households who had no prior local connection to the Ratho Station or immediate West Edinburgh area at the time of their application.

This information is not held

We do not record whether a household has a local connection or not and the local lettings policy attributable to out lying areas was suspended along with the wider lettings policy in April 2025 [7.2 - Suspension of Allocations Policy Update.pdf](#).

Ethnicity Criteria:

Of the allocations identified in Question 1 (those with no local connection), how many of these households self-reported their ethnic background as a category other than 'White Scottish' (e.g., other White categories, Asian, Black, Mixed, or Other Ethnic groups)?

Between 1st April 2023 and 31st March 2026 there were 9 lets made in Ratho Station (local connection status unknown). Of those 9 households, 5 were white Scottish and the remaining 4 were another ethnicity.
