

63841 Pothole machine

Could you advise me that the machine ' the pot hole killer' is still working repairing potholes, or is it broken and lying in a depot? If so, how long has it been broken and if not what streets has it repaired pot holes in the past 2 months?

The Pothole Pro is fully operational and has been in working in the following roads over the past 2 months:

Portobello High Street

A90 Queensferry Road

Crewe Crescent

Crewe Grove

Salvesen Gardens

Parkgrove Bank

Parkgrove Row

London Road

Shandwick Place

Old Dalkeith Road

Wardlaw Terrace

Stewart Terrace

Colinton Road

Calder Road

Colinton Mains Drive

Oxgangs Medway

Oxgangs View

Frogston Road West

Crewe Road South

Old Farm Avenue
