

63844 Permanent play equipment

A list of playgrounds you are responsible for (please say in which year you became responsible for each playground).

Please find list attached. We are unable to provide you with the year the Council became responsible for each play area as it is not held.

To know how many playgrounds you were responsible for in:

2016.

172.

2021.

174.

2026.

176.

To know if you are planning to open or close any playgrounds in the medium term, and if so, where?

There are no current plans to open or close any playparks. However, an updated open space audit project will determine play sufficiency. Results thereafter will guide the development of future provision.

To know the total capital spend on permanent playground equipment in each financial year since 2015/16?

2020/21 - £84,806

2021/22 - £323,474

2022/23 - £1,108,591

2023/24 - £606,889

2024/25 - £1,033,448

2025/26 - £828,283

2026/27 - £1,532,773 (budget)

Please note that we no longer hold the spend between 2015/16-2019/20.

To know how much capital spend you have planned for permanent playground equipment in your medium term financial plan (please specify the year ending)?

None.
