

63860 Solar Panels

Can you tell me how many residential council homes you own and how many of them have solar panels installed? Can you also tell me how many council homes had solar panels installed in each of the last five financial years (so 21/22, 22/23, 23/24, 24/25 and 25/26)?

The Council owns 23,727 residential homes. The number of homes with solar panels installed within the last five years is noted below.

Year	Number of homes
2021-22	321
2022-23	327
2023-24	50
2024-25	10
2025-26	473
