

63978 Correspondence with Apatura about data centre at Wester Hermiston

Please can you provide the following information about the proposed data centre at Wester Hermiston:

All correspondence between the council and Apatura or their agents (AAH) or other representatives.

A list of meetings, calls, or formal engagements between the council and Apatura or their agents (AAH) or other representatives, with meeting dates, agendas, minutes, notes or briefings.

Correspondence is provided to you within the attachment. Third party personal information has been redacted from the documents provided.

Please also note that some relevant information is available on the Council's [Disclosure Log](#) under reference number '63116'.

Some emails within scope of your request are being withheld. This is a live planning application as the legal agreement has not been finalised and the decision has not been issued. Consequently, the request cannot be met as the application is not yet a public document. Should information on concerns raised during the application process be released into the public domain, this could potentially prejudice the outcome of the application.
