

64023 Register of Licensed HMOs

Please provide a full extract of the council's current register of licensed houses in multiple occupation (HMOs), covering licences granted under mandatory licensing and under any additional or selective licensing scheme in force. For each licensed property, please include:

The full property address, including postcode.

The licence start date and expiry date.

The maximum number of permitted occupants and, where recorded, the number of permitted households.

The licence type (mandatory or additional), where recorded.

The name of the licence holder as it appears on the public register (if you consider this element exempt, please withhold it and supply the remainder of the information).

[The requested information is available on our HMO register.](#)

The number of storeys and/or lettable rooms, where this is held on the register.

[The Council has no operational need to require applicants to provide information on the number of storeys regarding an HMO application.](#)
