

64087 Bus Lane and Bus Gate Enforcement Locations

Your response to edir:63403 listed 30 bus lane and bus gate camera sites with the date enforcement began at each. For each of those sites, please provide:

The hours during which the restriction operates.

The classes of vehicle permitted to use it during those hours.

The sites I am asking about are those in your question 6 attachment, and in particular the following, none of which are named on the council's published bus lane pages: London Road, Slateford Road, Milton Road, South Gyle Broadway, Stenhouse Drive, Duddingston Park, Duddingston Park South, Drum Brae South, Melville Drive, Telford Road, West Approach Road, Lanark Road and Queensferry Road.

For context:

I ask because the council's 'Bus lane notices' page sets its restrictions out by category rather than by location. It names the five 24-hour bus lanes (Johnston Terrace, Bread Street, Inglis Green Road, Ocean Terminal and the A90 west of Barnton Junction) and the bus gates (The Jewel, Prestonfield Avenue, Little France Drive, Kirklands Park Street, Bankhead Drive and Links Place westbound), together with The Shore, and then describes peak hour bus lanes only in general terms — 'peak time bus lanes generally operate from 7.30am to 9.30am and 4pm to 6.30pm, Monday to Friday'. The word 'generally' is doing a lot of work there, and the thirteen roads listed above are named nowhere.

The same page states that 'a map of the bus lane cameras around the city is shown below'. I should let you know that no map appears on that page — there is no map image or embedded map in its HTML, on any of its three pages. If a camera map exists, a link to it would answer much of this request on its own, and it may be worth the web team knowing the page is not displaying what it says it displays.

If a single traffic regulation order or consolidated order specifies the hours and exempt vehicle classes for these locations, a reference or link to that order would be an acceptable answer to both questions, and I would be glad to have it rather than a compiled list.

The Enforcement Camera Map is available on the Council's website at:

All Bus Lanes, excluding those with 24-hour restrictions (detailed on our website at <https://www.edinburgh.gov.uk/parking-tickets/bus-lane-notice>) are enforced during peak times and operate from 7.30am to 9.30am and 4pm to 6.30pm, Monday to Friday.
