Carlyn/ [REDACTED]

We are looking to hold a meeting to discuss pedestrian, cyclist and road safety and journey times at A720/A702 Biggar Road. We are looking at the A720 City Bypass slip roads, the two mini roundabouts and the A702 Biggar Road approaches to the City Bypass.

As the two Councils area meet with the trunk road at this location it would be useful for us to discuss the current issues, potential solutions and to hear about any future plans the Councils have for active travel in the vicinity. If there are colleagues you would like to add to the meeting let me know and I will include them in the invitation.

Would 1000 on Thursday 7 May or Friday 8 May suit you?

Regards
