Spend to Date Maintenance 2026*	£1,917,798.00

* Spend on Fuel and Maintenance is inclusive on plant machinery and other equipment that is maintained but is not road registered.

We are unable to provide you with the spend for electric charging relating to fleet vehicles because it is not held by the Council. At present, the energy source is taken from buildings and there is no separate back-office management monitoring what is being distributed to the vehicles and what is being used to run the buildings.
