

64379 Teaching Supply List

How many teachers were recruited onto the teaching supply list in the academic year 2025/26:

Directly from a job advert advertising for supply teachers?

Indirectly from a job not advertising for supply teachers?

241 teachers were added to the supply list during 2025/26. 56 were appointed via the two adverts posted during 2025/26, and the remaining 185 teachers were added via the other routes available to join our [supply list](#).

Can you also state how many times the job advert for supply teachers has been posted in the last 3 years?

Date advert was posted	Primary	Secondary
April 2023	Advert Reference 23119	Advert Reference 23120
February 2024	Advert Reference 26449	Advert Reference 26450
September 2025	No advert	Advert Reference 11611 (Note this was for shortage subjects only)
December 2025	Advert Reference 13007	No advert
Due to go live during September 2026	Advert Reference 15726	Advert Reference 15727

Can you state how many teachers are on the supply list?

745 teachers are registered on our Supply Booking System, TeacherBooker.

Please provide a breakdown for primary and secondary.

Primary – 459.

Secondary – 449.

Please note that some supply teachers are registered to teach both primary and secondary, hence the breakdown does not equate to the total provided above.
