2023 - Jack Russell: 7, Terrier: 5, Spaniel: 1, Collie: 3, Staffordshire Bull Terrier: 3, Shih Tzu: 1, Husky/ Cross: 2, Pomeranian: 1, Bulldog: 1, Pug: 1, Labrador: 2, Poodle: 2

Microchipping and Registration Status

Of the total stray dogs collected, how many were found to be microchipped?

This information is checked and dealt with at the time but not recorded as part of our information gathering.

Of those microchipped, how many had accurate, up-to-date keeper details registered on a compliant database.

This information is not recorded.

Please provide a breakdown by breed/type of the dogs that either had no microchip or had incorrect/outdated keeper details.

This information is not recorded.

For the dogs collected as strays, please provide a breakdown of their final outcomes categorized by breed or type under the following headings:

- a) Reclaimed by keeper/owner

2021 – 13 Claimed

2022 – 21 Claimed

2023 – 27 Claimed

- b) Rehomed directly or transferred to an animal rescue organisation

2021 – 2 Rehomed

2022 – 0 Rehomed

2023 – 0 Rehomed

c) Euthanised (please specify if the reason was behavioural, medical, or statutory)

2021 – 0 Euthanised

2022 – 0 Euthanised

2023 – 2 Euthanised by our kennelling contractor - The Edinburgh Dog and Cat Home

We do not hold a record of the reasons for euthanising.

d) Retained or seized under the Dangerous Dogs Act / breed-specific legislation

2021 – 0

2022 – 0

2023 – 0

The total number of dog-related Community Protection Warnings (CPWs), Community Protection Notices (CPNs), or other formal notices issued.

No such notices or warnings have been issued by The City of Edinburgh Council. This would be the responsibility of Police Scotland.

A breakdown of these notices by the breed or type of dog involved, where recorded.

Not applicable.
