

64565 RIDDOR Report Query

Whether a RIDDOR notification concerning my accident on 23 December 2023 was received from Waitrose, John Lewis Partnership, the person in control of the premises, or any other responsible person.

Which organisation/person submitted the report.

Please find notification attached.

Your personal information and third-party personal information have been redacted from the document provided.

If so, the date on which the report was submitted and, insofar as you are able to disclose it, the RIDDOR or Council reference number.

The report was submitted by the duty holder on 28/12/23. The RIDDOR report reference number is 12417EDF12. The Council's reference number related to receiving this report is S937339.

Whether the Council's Environmental Health/Health and Safety service made any enquiries, conducted an investigation, contacted Waitrose or another responsible party, or otherwise followed up the incident.

Whether the Council holds any correspondence, inspection records, photographs, notes or other records relating to the accident or the condition of the staircase.

No enquiries were made by the Environmental Health department into the circumstances of this accident.
