

64696 Voting community within the current Reid Memorial Parish

I would like to know what the size of the voting community within the current Reid Memorial Parish is. This information would come from the Electoral Register (Voting Roll). I can provide a link to a map to show what I believe to be the boundaries of this area. Please find the attached link to show you what I understand to be the boundary of the parish:

What was the total number of voters within the Electoral Ward?

Does the Electoral Ward have the same boundaries as the Parish Boundaries and the same number of voters?

The ward in question is Southside/Newington, which has a total electorate of 24,666 at the most recent by-election in the ward on 03/09/26.

Reid Memorial is the designated polling place for polling district SS15C. The electorate in that polling district for the by-election on 03/09/26 was 4,630. Please see breakdown below:

Polling station	Station number	Station letters	Ballot box number	Total registered electors	Eligible electors			
					Eligible in person	Eligible postal voters	Eligible proxy voters	Eligible postal-proxy voters
Reid Memorial Church Hall	8	SS15C	8	2380	1765	572	3	0
Reid Memorial Church Hall	9	SS15C	9	2367	1785	500	5	0

We are unable to provide you with information around parish boundaries because it is not held by the Council.
