

64737 Clinical and Healthcare Waste Management Services

Please provide the following information regarding your clinical and healthcare waste management services:

The name of the incumbent supplier(s) for:

Clinical waste collection and disposal

Sharps waste collection and disposal

Sanitary waste services

Offensive waste services (if applicable)

Radioactive waste services

Chemical waste services

These services are provided through a Call-Off from the Scotland Excel Framework for Supply of Washroom Solutions and Sanitary Products (Initial Washroom Solutions t/a Rentokil Initial Services Ltd.).

The contract start date and expiry date for each service.

Contract Start Date – 29/03/2023. Contract End Date 28/02/2027.

Any optional extension periods available under the current contract(s).

There is no option to extend although another Call-Off may be available.

The annual contract value or estimated annual spend for each service.

Annual Value - £ 366,667

Whether the Council intends to retender these services within the next 24 months and, if so, the anticipated procurement route and timescales.

Yes. There will be a new Framework Call-Off when Scotland Excel Framework is available.
