

64772 Refuse Collection Vehicle Access

A list of roads or streets where standard refuse or recycling collection vehicles are currently unable, or instructed not, to travel for routine household collections.

[Please find a list of streets where residential waste and recycling service is provided by a smaller vehicle attached.](#)

If time and cost limits allow, please also provide the same information for commercial waste collections carried out by the council or on its behalf.

[Please find a list of streets where commercial \(internal waste for schools, Council offices and such\) waste and recycling service is provided by a smaller vehicle attached.](#)

[Please note that the City of Edinburgh City Council does not offer any trade waste service, except to Council premises.](#)

Where recorded, the reason for each restriction, such as narrow roads, unsafe reversing, weight restrictions or lack of turning space.

Where recorded, the date on which the current access restriction or alternative collection arrangement began.

[Information not held.](#)

Where recorded, how collections are instead carried out, such as using a smaller vehicle, crews collecting on foot, or residents using an agreed collection point.

[Collections are carried out with a smaller vehicle.](#)
