

64816 Software Subscriptions

Software asset and contract registers

If City of Edinburgh Council maintains any of the following, please provide the current version:

- a software asset register or application register
- an ICT or digital contract register

Please supply these in machine-readable form (Excel) rather than PDF if possible. If any field in a register is exempt, please provide the register with that field removed rather than withholding it in full.

There is no specific ICT or Digital Contract Register, however details of City of Edinburgh Council contracts awarded are published on our website within the Contracts Register at:

<https://www.edinburgh.gov.uk/downloads/file/32131/contract-register>

Further specific details on hardware, software, processes and systems used is withheld under Section 30(c) - Prejudice to effective conduct of public affairs (cyber-security).

Expenditure on named suppliers

For the financial year 2025/26, please state the total expenditure on products and services originating from each of the following:

- (a) Microsoft
- (b) Oracle
- (c) Amazon Web Services

Please include spend made through a reseller, licensing solution provider, systems integrator, managed service provider or public sector framework, as well as any spend made directly with the supplier.

a. Circa £2,500,000

b. Circa £430,000

c. Circa £13,500

Licence and subscription volumes

As at 31 March 2026, please state the number of licences or subscriptions held for each of the following categories:

- Microsoft Windows (desktop and server operating systems)
- Microsoft 365 / Office
- All other Microsoft products (including Dynamics, SQL Server and Azure subscriptions)
- Oracle database products
- Oracle application products

- All other Oracle products

If licences are held under an enterprise agreement or similar arrangement that does not record a per-user count, please say so and give the metric that is used instead.

[As detailed in A1 above, such details shall not be provided.](#)

Total software expenditure

For the financial year 2025/26:

- (a) total expenditure on all software licences, subscriptions and cloud services
- (b) a list of every software or cloud supplier on which City of Edinburgh Council spent more than £50,000, with the amount spent on each

[This information is not held centrally or separately, however details of contracts awarded are published on our website within the Contracts Register at:](#)
