Any correspondence between the Council and the operator, including emails, letters, and any written record of telephone or in-person discussions.

[No communications](#)

Any correspondence between the Council and St Mary's Cathedral, or anyone acting on its behalf, including emails, letters, and any written record of telephone or in-person discussions.

[No communications](#)

Any internal email, case note, or file note held by Planning or Enforcement referring to the installation, to its removal, or to whether it was expected to return.

[No internal e-mails, case notes or file note](#)

Any record of a follow-up check, site visit, monitoring action, diary entry, or reminder created to establish whether the operation had returned or whether an application had been submitted.

[No follow up check, site visit, monitoring action, diary entry or reminder](#)

Any record of pre-application advice, enquiry, or discussion received from the operator, the Cathedral, or anyone acting for either of them.

[No pre-application advice, enquiry, or discussion received from the operator, the Cathedral or anyone acting for either of them](#)

Any record of actions taken following the closure of enforcement case 25/00569/ECOU in October 2025.

[No further action since the closing of the 25/00569/ECOU](#)

[It is not the practice of the planning authority to follow up on closed enforcement cases. The Council relies on possible breaches of planning control to be reported by members of the public. In this instance, the matter was raised again in 2026, so a new case was opened.](#)
