64916 Lothian Pension Fund

I am seeking aggregate, non-personal information about the Fund's active contributing membership, pensionable earnings and contributions. Please provide the following for the most recent financial year for which complete information is available, preferably 2025/26:

The total number of active members who were employed and making employee pension contributions to the Lothian Pension Fund at 31 March 2026.

34,765.

The total pensionable payroll for those active members during 2025/26.

£1,084,363,126.05.

The average and median annual pensionable pay of active members during 2025/26.

Average pensionable pay: £31,191.23.

Median pensionable pay: £28,140.15.

The total amount of employee pension contributions received from active members during 2025/26.

£70,190,276.62.

The total amount of employer pension contributions received in respect of active members during 2025/26.

£190,034,730.98.

The number of active members whose annual pensionable pay fell within each of the following bands:

£20,000 or less.

£20,001–£30,000.

£30,001–£40,000.

£40,001–£50,000.

£50,001–£60,000.

£60,001–£70,000.

£70,001–£80,000.

£80,001–£90,000.

£90,001–£100,000.

£100,001–£125,000.

£125,001–£150,000.

£150,001+.

For each of the above pensionable-pay bands, please provide the aggregate employee contributions and aggregate employer contributions attributable to members within that band.

Pensionable Pay Band	Number of Active Members	Aggregate Employee contributions	Aggregate Employer contributions
£20,000 or less	12,972	£7,367,922.00	£23,419,590.60
£20,001 - £30,000	6,767	£9,559,599.00	£30,216,407.70
£30,001 - £40,000	8,160	£16,299,935.50	£102,340,493.00
£40,001 - £50,000	4,507	£12,683,076.50	£137,201,210.00
£50.001 - £60.000	1,641	£6,066,319.89	£15,508,351.10
£60,001 - £70,000	683	£3,221,356.27	£7,861,889.07
£70,001 - £80,000	256	£1,502,658.70	£3,418,029.37
£80,001 - £90.000	231	£1,740,784.10	£3,579,818.25
£90.001 - £100.000	84	£703,628.28	£1,424,584.10
£100,001 - £125,000	76	£741,881.71	£1,457,217.47
£125,001 - £150,000	42	£558,660.32	£1,057,420.92
£150,001 +	29	£522,178.77	£898,004.10

The total amount paid in pension benefits during 2025/26, excluding retirement lump-sum payments, together with the number of pensioners receiving those payments.

£265,516,539.23.
