65009 Emergency and Diplomatic Vehicle PCNs

I am researching how even-handedly parking enforcement applies to public-sector and official vehicles in Edinburgh.

Please could you provide, for each calendar year from 2021 to 2025 and for January to June 2026, the number of Penalty Charge Notices issued to:

a. City of Edinburgh Council fleet vehicles

2021 - 41 (From August only; no previous electronic records held)

2022 - 68

2023 - 67

2024 - 133

2025 - 128

2026 - 70 (Jan to Jun only)

b. Emergency service vehicles

None. They are exempt under TRO (Traffic Regulation Order).

c. Vehicles with diplomatic registrations

Please refer to the table below.

Years	Count of PCN
2021	10
2022	17
2023	20
2024	20
2025	23
2026	15

In each category, how many of those PCNs were subsequently cancelled or written off?

Please refer to the table below in relation to vehicles with diplomatic registrations

Years	Count of PCN
2021	5
2022	10
2023	16

2024	13
2025	14
2026	5

When a Penalty Charge Notice is issued to a Fleet vehicle, it is passed to the colleague who was driving the vehicle for settlement. Whether or not the PCN was subsequently cancelled or written off, this information is not shared with Fleet Services and Parking Services do not separately record if a PCN relates to a Council Fleet vehicle.
