65179 Review of Walking Route Assessments – Report

I would like to request a pdf copy of a report undertaken by AtkinsRealis on behalf of City of Edinburgh Council.

This report is partly referenced under a committee meeting from Tuesday 1st September 2026.

The committee meeting is under the department of Education, Children & Families.

The report was commissioned to conduct a review of walking route assessments across 5 high schools where private coach travel was the highest.

There was not a final report as such. We were provided with a pack of information for each individual route with summaries of the information published on our website.

Please refer to the following committee papers published on our website at:
