65220 HEAP Documentation

I'm hoping you'd be able to provide me with further details relating to the recently updated HEAP documentation from Tuesday, 25th August 2026 and more specifically, information regarding the 321 Direct Let properties that have been allocated during the suspension of allocations period.

Ideally, I'd like a breakdown of the number of 3 and 4 bedroom properties that were given, the areas/locality they relate to and whether they were given by way of Managers Decision/Discretion or UEHN points as they appear to be the only two reasons listed under "other".

Locality	3-bedroom property	4-bedroom property
North East Locality	3	1
North West Locality	22	4
South East Locality	3	1
South West Locality	9	0

Please note that with regards to your requested breakdown between management decisions and Urgent Exceptional Housing Need, we do not record this separately.
