65261 Highways Records for Cowgate, Edinburgh

Regarding a tripping claim on 16/02/2026 outside 94-116 Cowgate, Edinburgh, Midlothian, EH1 1JN, I would be obliged if you could please provide the following information and documentation:

The inspection and maintenance records for the location in question for the 12 months pre-accident period.

Please refer to the Condition Survey section (inspections) and the Maintenance Management section (maintenance) of the attached Site History Report.

Please note, we are unable to extract data regarding specific sections of streets, therefore the attached report covers the Cowgate, footway and carriageway, in its entirety.

Records of any complaints for the location in question for the 12 months pre-accident period.

Please refer to the Customer Services section (complaints) of the attached Site History Report.

Any notices issued for the area for the defect/location in question for the 12 months pre-accident period.

Please refer to the attached spreadsheets which represent the relevant recorded information held by our Scottish Road Works Register team. The notice regarding the Scottish Water sewer outside 116 Cowgate is highlighted on the attached Utility Inspection report.

Third party personal information has been redacted from the documents provided in compliance with the Data Protection Act 2018.
