Desc.: The problem is at 207 Cowgate. There's a pub named Stramash whose massive queue completely blocks the pavement for any other pedestrian. A few minutes ago, I almost get crashed by a speeding driver as I had to walk on the road due to the pub's queue is blocking an already very narrow pavement. This seems to be completely against any Health and Safety regulation so I would appreciate an inspection.

You'd have thought cows were still there with the smell. With all the money u bring in thro tourism. Surely u could fix these pavements. [redacted].
