65319 Parking Places and PCNs, George Street Area

I am researching the relationship between parking capacity and enforcement in Edinburgh's New Town.

Please could you provide, for each of the following streets: George Street, Rose Street, Hanover Street, Frederick Street, Castle Street, Queen Street, Thistle Street, Young Street, St Andrew Square and Charlotte Square:

The current number of marked on-street parking places, broken down by type (pay and display or shared use, resident permit, disabled, loading, or other).

All parking controls (including bays and their designations) can be viewed on the following website at:

https://streets.appyway.com/edinburgh-city

Select 'Legend' for the types of parking bays.

The number of Penalty Charge Notices issued on each street in 2024, 2025 and January to June 2026.

Please refer to the table below for the number of Penalty Charge Notices issued on the above-mentioned streets in 2024, 2025 and January to June 2026.
